## **Mike Reiskis Joins Corelation as Business Development Executive**

**SAN DIEGO - September 6, 2022:** Leading credit union core processor Corelation Inc. announces that industry veteran Mike Reiskis will join the company's Business Development division beginning September 6, 2022 as a Business Development Executive based out of the Chicago area.

Reiskis brings more than 30 years of credit union strategy and technology experience to his new role at Corelation. His previous positions in the industry include Senior Sales Executive at Fiserv and Area Vice President roles at both FIS and Open Solutions (now part of Fiserv).

"Watching Corelation exceed every milestone and challenge over the years, I truly believe Corelation is changing the industry for the better by offering the next-generation core processor that credit unions have been waiting for," shared Reiskis. "Joining Corelation feels like the culmination of what I have spent my career preparing for; this is my dream job."

Throughout his career, Reiskis has brought his expertise to credit unions and financial institutions to establish partnerships and help them solve problems with financial technology.

"Many colleagues that I have worked with and have great respect for have come to work for Corelation. The way that Corelation aligns culturally with credit unions and the way they care for their clients as partners is what brings me here. I am grateful for the opportunity to join this team," added Reiskis.

"Mike Reiskis' wealth of industry experience and accomplished track record as a top performer will complement and strengthen our established team," shared Corelation Chief Revenue Officer Tim Maron. "Mike is an excellent addition to Corelation as he approaches every opportunity with integrity and passion. We can't wait for him to get started - welcome, Mike!"
